**Who are GSF Computer Services?**

We are a technical support and product firm based in Frimley, Surrey.

We provide onsite training, home visits, computer upgrades, computer repairs and support to home users and small businesses.

Areas we cover are Blackbush, Camberley, Farnborough, Farnham, Fleet, Frimley, Frimley Green, Guildford, Yateley and other local areas in Berkshire, Hampshire and Surrey.

**About Us**

GSF computer services are an established business based in Frimley and have been trading since 1998.

Our highly skilled and experienced computer technicians operate a fully mobile service undertaking repairs and services in your home at a time convenient to you. Our technicians are fully experienced, polite and courteous.

We also provide onsite computer training and shortly will be selling P.C. products.

Please look at our 'Offerings' page that lists our services, support, training and will list product offerings.

**Services we provide**

Computer Repairs, Computer Upgrades, Data Transfer, Secure File Deletion, Fault Diagnosis, Virus and Worm Removal, Wired and Wireless Networking, PC Health Check.

We supply and install new systems. As an added service, we will transfer your existing data and software, including internet and email to your new system completely free of charge.

For more information or to schedule a free estimate, please contact us either via email or give us a call. You will be pleasantly surprised.
